## RUB

Breathe easy. This side of the cube is inspired by traditional worry stones, tools used to reduce anxiety when rubbed.

## ROLL

Roll yourself to relaxation. The triple gears and metal ball provide alternate relaxing feelings of perpetual motion.

## SPIN

Feeling spun out? Rotate the wheel to soothe yourself back into a peaceful frame of mind.

## PRESS

Pen clickers rejoice. Enjoy 5 times the clicking relief with this side of the cube.

## CONTROL

Need full control? Enjoy this side of the cube; perfect for pushing, rotating, and omni-directional movement

## SWITCH

Erase your stress and fidgeting woes with the flip of a switch.
